PARAGRAPHS FOR THE PEOPLE, DEDICATED TO

ALL WHO SEEK HEALTH, AND DESIRE TO KNOW

HOW TO SECURE IT!

For upward of Twelve Years the Success of HOSTETTER'S STOMACH BITTERS

marked feature in the Medical History of the

Country, and their celebrity continually increases.

But they have all failed; while the Original Antidote, which not for a day but for all time, grows daily in the estimation of confidence of the rublic.

Thousands have confidence in it because they are aware that secares health to families who dwell in insalubrious districts, and that those thus situated, who do not use it, fall sick from as effects of bad air and unwholesome water.

One neighbor tells another what HOSTETTER'S BITTERS has done for him and his, and thus the reputation of the Great Family Restorative is constantly extending.

The helief that it will cure Dyspepsia, and every species indicestion, is aimost universal, and it is a rational beli-ounded on testimony from sources known to be worthy

Abandoning the adulturated stimulants of commerce hereto

ore prescribed for medicinal purposes, invalids resort FETTER'S BITTERS as a safe invigorant, wholly Those who suffer from Liver Complaints rely upon it, cause they derive from its anti-bilious properties immed-and certain relief when all the usually prescribed reme-lace proved useless.

In Fever and Ague and all Intermittent Fevera, according to be statements of countiess witnesses, the BITTERS break up he puraysms with absolute certainty, and speedily restore he atrength of the patient.

The original formula for the manufacture of this rare vegetable specific is rigidly adhered to. Its quality and proportions lever vary. Consequently its operation is uniform. Moreover, it does not deteriorate in any climate.

For ladies of delicate constitutions and subject to any of the peculiar difficulties which affect the health of the sex, it is recommended by physicians who have made this class of diments their especial study, as an admirable regulator and Persons engaged in sedentary employments within doors will find that an occasional use of HOSTETTER'S BITTERS tently stimulates the circulation, improves the appetite, greduces a regular habit of body, and prevents mental de-

When every other prescription has disappointed expecta-tion, in cases where the system is suffering from the effects of mineral medicines, this powerful Vegetable Corrective will restore the tone of the digastive apparatus, quiet the nerves, and arrest the action of the poison upon the secretive organs and the blood.

Remember that in HOSTETTER'S BITTERS are com-bined the best tooics of the vegetable kingdom, with the pure Essence of Rye, the middest of all attinuants, and that it is therefore a safe medicine when all ordinary inectures and all numedicated excitants would be permicious. During the intervals between the hot stages of an intermit-tent and remittent fevers, it will be found the best means of recruiting the bodily energies, and thus enabling nature to cope with and subdue the malady.

Sea-Sickness, which from time immemorial has had its own way with its unfortunate victims. is infailibly cured, sometimes in a few minutes, always within a few hours, by a dose r two of the preparation. As a Preventive medicine capable of thoroughly reenforcing the physical powers, and thereby enabling them to repel the atmospheric poison which generates disease, HOSTETTE, SH HITTERS stand alone among tonics. No other can compete

Officers of every grade in the army and navy use and praise t, and soldiers and saliers at home on alck-i-axe find that no other invigorant so soon his them to resume their active duties Testimonials from Government officials, authors of distinguished reputation, analytical chemists, well-known physicians, capitains of steamships, degymen, members of the barmerchants, miners, based of public institutions, &c., &c., are among the credentials of this popular specific.

To be without it when infection is abroad, or under any

Owing to the unprecedented demand for the article last tear, difficulty was experienced in keeping up the stock in the lands of agents; but the addition of three immense buildings of the factory at Pittsburgh having increased the facilities for manifestoring FOURFOLLD, no further disappointments need accomplisher.

to filling of the genuine bottler, after their original contents are been used, with fiery and deleterious mixtures, and self-ing the same as HOSTETTER'S STOMACH BITTERS, herefore purchase only of desires in good standing, whose misness characters are a guarantee against deception.

The heavy tax on imported liquors having rendered their additional universal, it is next to impossible to procure a stimulant that is not more or less poisonous outside of HOS-TETTER'S BITTERS. Their basis is a pure domestic article, guaranteed to be pure, and rendered doubly salutary by unequaled vegetable medication.

Many cases have recently occurred in which feeble children of tender years have been wonderfully benefited by a course of this famous stomethie. It is a safe medicine for the human family without distinction of age or sex. See to it that each bottle you buy has the new steel-engraved label, displaying a superb vignette of Saint George and the Dragon, with a shield containing a cavitonary inscription underneath; and at the foot a note of hand for ONE CENT. signed "HOSTETTER & SMITH," to counterfeit which is a

In addition to these safeguards against fraud, every bottle of HOSTETTER'S CELEBRATED STOMACH BITTERS is PROTECTED BY THE GOVERNMENT

ith an Official Stamp, issued under the authority of the

To simulate this authentication is a crime against the United

U. S. TREASURY DEPARTMENT.

As a means of preventing and arresting any premature decay; of rallying and sustaining sinking Nature; of relieving Dyspepsis, and all other diseases and disturbances of the stomach; of bracing the shattered nerves; of reviving the salmal spirits, and of regulating the secretions and the circular states of the stomach; of bracing the shattered nerves; of reviving the salmal spirits, and of regulating the secretions and the circular states of the stomach; of the stomach of the stoma spirits, and of regulating the secretions and the circulation, it claimed that no medicine now in existence is comparable with this popular Protective and Restorative.

NEW-YORK OFFICE, NO. 59 CEDAR-ST.

The Remedy of the Age THE CELEBRATED TROPICAL BALSAM,

PREPARED BY CARRENO BROTHERS & Co., ENOWN AS INPALLIBLE FOR THE SPEEDT CURR OF PHTHISIS, CROUP, and all other diseases of the CHEST

and THROAT: Affections resulting from FALLS, BLOWS, or BRUISES, however severe: PILES,

HEMORRHAGES, WOUNDS, CONTUSIONS, BURNS, FELONS, ALL KINDS OF ULCERS, CHAPPED LIPS, HANDS, RTC.; HEADACHE, TOOTHACHE, EARACHE, and all other NEURALGIC, RHEUMATIC, or SPAS

This Balsam is especially adapted for the use of the army, and ne soldier should be without it, as, among the many virtues it possesses, its power and efficacy in stopping hemorrhages, preventing TRIANUS or LOCKJAW, and cleaning and healing workers, are far superior to those of any other reme

dies heretofore discovered. Full directions for use around each bottle Circulars containing said directions, and a large number of valuable letters, certifying to the wonderful cures effected by

No. 5 Wall-street, New-York, and will be sent to private resi

Price of bottles, 37 cents and \$1.

The Company will send the Balsam by Express on receipt

of price.
Heads of families are advised to keep this Balsam constantly on hand, in order to use it in time in cases of WOUNDS, HEMOMERIAGES, ECRNS, BRUISES &C., thus obtaining an immediate cure, and saving time, sufferings, and money; also, those when are devoted to such occupations as expose them to danger, or require the use of instruments wherewith they may be injured.

Office of the Laboratory of Dr. J. G. Pohlé, late of Jas. R. Chilton & Co., No. 93 Prince-st., corner of Mercer, N. F.. James R. Critton, M. D., Julies G. Poule, M. D., Analytical and Consulting Chemistry.

JAMES R. CRIETON, M. D., JULIUS S. PORES, M. D., Americal education of the Computer Street, and Consulting Chemists.

I have made a chemical analysis of the Tropical Balsam prepared by Messrs. Carreno, Bros. & Co., and found, after a thorough examination of it, that it is composed exclusively of vegetable substances—principally of gums and resins—possessing decided medicinal properties. It contains nothing that caprove deleterious to health when taken internally or applied externally, its astringent and healting properties being well calculated to stop hemorrhages and neal wounds, ulcers, &c.

[Signed] JULIUS S. PORLE, M. D.,
Successor to Dr. Jas. R. Chilton & Co.,
Analytical Chemist.

The following are some of the many testimonial letters in

Its healing and regulating effect upon the bowels, in what ever way they may be disordered, is admitted to be one of the most vanable characteristics; and honce its usefulness in Cole, Diarrhea, Cholera Morbus and Dysentery.

Hard toil, privation and exposure may be borne with comparative inpunity, in any climate or locality, by those who easten their strength with this wholesome and agreeable stomachic.

In California and Australia it is the miner's main stay and safeguard, and in South America and the West Indies is considered the most reinable acclimating medicine and preventive of malaritous fevors and other epidemics.

Change of climate always involves danger, unless precautions are taken to prevent it. Fortify with HOSTETTER's BITTER's, and bid denance to vicisitudes of temperature and establations generated by excessive heat acting on a swampy soil.

Men of the highest attainments in medical selence are now mise and recommending this reliable vegetable tonic as restorative after fevers, and the very best attengtuents medicaled stimulants, they never sour even on the weakes stomach.

The original formula for the manufacture of this rare vegetable specific is rigidly adhered to. Its quality and proportions power, it does not decleriorate in any climate.

Men of the highest attainments is medical selence are now mise and recommending this reliable vegetable tonic as restorative after fevers, and the very best attengtuents of the remained course with the maladies that "feeb is helr to," I remain very truly soil.

An agreeable warmth diffuses itself through every fiber of the frame after a dose of the BITTER's, and unlike wine and numedicated stimulants, they never sour even on the weakest stomach.

The original formula for the manufacture of this rare vegetable specific is rigidly adhered to. Its quality and proportions power, rary. Consequently its operation is uniform. More over, it does not decleriorate in any climate.

Messrs. Carrino Bros. & Co.—Gentlemen: I have for the past three months suffered severely from chapped lips, and after having vainly tried the various remedies for the same, without success. I was about giving up in despair, when a friend advised use to give your wonderful. "Tropical Balsam" a trial, which article, I am happy to state, after two applications, completely cured me; and I cheeffully recommend the same as a valuable predictine to my friends.

Respectfully yours, CHAS. RYLE, 132 West 12th-st.

Ngw-York, December 11, 1864—No. 88 Fourth ave.
Messrs. Caprano Bros. & Co.: Gentlemen—You are at

I have been using your "Tropical Balsam" since July
I have been using your "Tropical Balsam" since July If have been using your "Tropical Balsam" since July it last, at which time my health was very much impaired, in fact I felt, as did my friends, that my secovery was very doubtful. I was reduced to 109 pounds, weight, ascally when well weighing 140 pounds. I had been suffering from a sever hemorrhese of the image, which took place in January hast, which confined me to my room nearly three months. When I became able to get out, a constant cough, attended with severe pains in the period of the image, which took place in January hast, which confined in the several and very heavy right weats, together with several slight moorrhages and loss of appetite, caused a gradual fail to the several significant in the was advised by a file of to try your Balsam, which I did; and after using "three bottles," my sweats ceased and have never returned), my appetite and strength have gradually invested in the several was recorded and in which it was a several to the property of the several significant in the several was a several to the several was a seve
